### UMCH: Your premium campus

- ✓ 6 year degree program in medicine (no undergrad necessary) in English with an international campus flair
- ✓ Practice-oriented study model with instruction in small groups

- ✓ Clinical-practical training in German and international teaching hospitals
- ✓ State-of-the-art and highly digital university campus in Hamburg
- ✓ Top ranked university
- ✓ Hospitality and housing
- ✓ Possibility to pursue your PhD at the UMCH
- ✓ Free German lessons for students with no previous knowledge of the German language integrated into the curriculum with teachers on-site for fluent language skills upon graduation

### Made in Germany: Top destination for your career

- ✓ Degree is automatically recognized in EU and many other countries (Switzerland, Norway, UK (GMC), UAE, India, Turkey) and also enables eligibility in USA (USMLE) and Canada
- ✓ Automatic license as a doctor can be obtained immediately after graduation – no licensing exam required
- ✓ Work permit is issued directly after graduation
- ✓ Students often receive a job offer while still studying – due to the shortage of doctors in Germany
- ✓ Free choice of specialty after graduation – no competition or exam required
- ✓ Excellent salary during specialty training in Germany

- ✓ No previous knowledge of German language required
- ✓ No pre-med, foundation year or Studienkolleg required
- ✓ Many direct flights worldwide to Hamburg Airport
